Sealed proposals will be received by the Division of Public Works, State of Idaho, at Rigby Readiness Center, Classroom 1, 165 West 2nd South, Rigby, Idaho 83442 until **2:00 PM, local time, on Wednesday, September 18, 2013 for DPW Project No. 13332, Renovate Readiness Center, Division of Military, Rigby, Idaho.**

A description of the work of this project can be summarized to include the following exterior improvements: new HVAC screen walls, larger parking area, removal of existing hazardous materials building, replace exterior building lights, add gable dormers over the south and west man doors from the Drill Hall, new exterior signage, new security gate, paint the entire building and add column wraps to the existing front entry columns. The renovation will also include the following interior improvements: add new seals and concrete stoops to the overhead doors, new seals to all exterior man doors, add new data room and run all new data throughout the building, move existing data and phone from the front of the building to the side and bury it, paint the entire interior of the building, add a ladder for safety to the existing mezzanine, remove and conceal all exposed ducting, conduit and gas lines in the Drill Hall, remove and replace a portion of the concrete floor and apply a new polish finish to all the concrete floor finish in the Drill Hall, Maintenance Bay and Storage Room, and fur out interior walls in the three classrooms to conceal exposed conduit and add insulation.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:
