

ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Division of Public Works, State of Idaho, at the Lewis Clark State College Facilities Office, 538 11th Avenue, Lewiston, Idaho Until 3:00 PM, local time on September 26, 2013 for DPW Project No. 14154, Reroof, Sam Glenn Complex, Lewis Clark State College, Lewiston, Idaho.

A description of the work of this project can be summarized to removing rock ballast but leaving the existing roof system membrane in-place and installing a new roofing system over the top. Existing roofing system consists of single-ply system (see plans for locations). New roofing system will consist of prefinished sealed seam metal roofing over metal hat channel framing system and insulation. Systems include miscellaneous framing, flashings, parapet caps, crickets, drains, etc. associated with the roof and wall areas. Work also includes removal and replacement of roof access hatch.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:
