

ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Division of Public Works, State of Idaho, at the **University of Idaho, Facilities Services Conference Room, 875 Perimeter Dr., Moscow, Idaho 83843** until **2:00PM**, prevailing local time, on **Thursday, March 19th, 2015**, for **DPW Project No. 15254, Holm Center Emergency Generator, University of Idaho, Moscow, Idaho.**

A description of the work of this project can be summarized to include installation of a new natural gas generator to produce power necessary for all life safety loads (lighting, fire alarm, etc.) and program loads (lab equipment, selected HVAC, and selected receptacles). Also required is the installation of automatic transfer switches and associated power distribution equipment. Existing egress lighting will be removed. Existing luminaires in egress pathways will be re-circuited to the new generator-backed electrical panel.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:
