Addendum Number One

TO: Proposing Commissioning Agents

FROM: Martin Santoyo, Architect *MS*
Division of Public Works

SUBJECT: DPW PROJECT NO. 16207 / RFQ Clarifications
New Material Science Building, Boise State University
Boise, Idaho

Please note the following clarifications in "The anticipated scope will include" paragraph, on page 2 of the RFQ:

"It is intended that the selected team will be retained during the design phases for ~~cost analysis~~, constructability, and quality control reviews and then continue through complete construction phases.

The University desires a highly sustainable project and the project designed to provide long-term value through durability of materials and systems. ~~Construction Managers~~ **Commissioning Agents** may choose to highlight their experience and ability in providing a commissioned building to meet those goals."
