

ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Division of Public Works, State of Idaho, at **Idaho State University, Facilities Services Building, 749 E. Humbolt St., Pocatello, Idaho 83201** until **2:00 pm** local time, on **Thursday, March 23, 2017** for **DPW Project 16223 Masonry Repairs, Campus Wide, Idaho State University, Pocatello, Idaho.**

A description of the work of this project can be summarized to include providing repairs to damaged masonry and mortar joints at various campus buildings. Materials to be removed, repaired, or replaced include: cmu, brick of many years, various manufacturers and of multiple colors, grout of varying colors, concrete, expansion and control joint materials, and similar specialty finishes and items unique to masonry work. Repairs will include removing damaged finishes and replacing with new material to match existing and to restore the water-tightness of the buildings' envelopes. Certain location repairs are easily accessible; other locations will require work be performed at roof parapet heights. Washing, stain-matching, artificial aging or chemical cleaning to blend repairs into existing building exteriors as required is included in the scope of this project.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:
