

## ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Division of Public Works, State of Idaho, at **875 Perimeter Drive, MS 2281, Moscow, Idaho 83844-2281** until **2:00 pm** local time, on **Tuesday, April 19, 2016** for **DPW Project 16253 Life Safety Improvements – Phase 2, Buchanan Engineering Laboratory, University of Idaho, Moscow, Idaho.**

A description of the work of this project can be summarized to consist of removal and replacement of existing fume hoods and associated ductwork, revisions to existing electrical components that support the fume hoods, and patch and repair existing walls and ceilings to accommodate the new ductwork. Work also includes removal and replacement of exterior guardrails and interior handrails. Work also includes improvements to the light fixtures and mechanical ventilation in chemical storage rooms. Work also includes separating the potable and non-potable water supplies. This includes providing new backflow prevention, new supply piping to the building restrooms, and patch and repair work to existing walls and ceilings to accommodate the new supply piping. Work also includes repair cracks in the foundation floor slabs and walls and apply damp-proofing to the basement walls.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:
