

## ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Division of Public Works, State of Idaho, at **502 N. 4th St., PO Box 83720, Boise, ID 83720-0072** until **2:00 pm** local time, on **Thursday, July 28, 2016** for **DPW Project 16590, Tenant Improvements for SAPD and SWCC in Idaho Water Center, Department of Water Resources, Boise, Idaho.**

A description of the work of this project can be summarized to include the construction encompasses (2) tenant improvements and a common area improvement for a total of 9,461 square feet. These tenant improvements include the construction of walls, doors, windows and frames, and patching and repair of existing finishes including the suspended acoustical panel ceiling. All areas to receive new tile carpeting and tile resilient flooring. The fire suppression and alarm system will be required to have modifications made. HVAC work will consist of moving and providing diffusers in the floor and ceiling system and the installation of a split system for a server room. There will be electrical work repositioning electrical access and lighting, and the installation of limited new light fixtures.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:
