Sealed proposals will be received by the Division of Public Works, State of Idaho, at **502 N. 4th St., PO Box 83720, Boise, Idaho 83720-0072** until **2:00 pm**, local time, on **March 2, 2017** for **DPW Project 16620 Replace Chiller, Idaho History Center, Archives, Idaho State Historical Society, Boise, Idaho.**

A description of the work of this project can be summarized to include the removal of the two existing chillers, corresponding pumps and any required piping for installation of the new system. These two chillers shall be replaced with a single new 130 ton chiller with variable flow pumps and controls. The existing buffer tank, glycol make-up tank and make-up water system is to be reuse and re-piped into the new system. New control valves and sequences to be installed for the variable flow system operation. The new chiller will require a new level 6" concrete pad approximately 24'x14' in size.

Proposals will be opened and publicly read at the above hour and date.
