Sealed proposals will be received by the Division of Public Works, State of Idaho, at DPW Field Office, 875 Perimeter Drive, MS 2281, P.O. Box 442281 Moscow, Idaho 83844-2281 until 2:00 pm local time, on Thursday, March 14, 2019 for DPW Project 19258 Exterior Masonry Repairs, Buchanan Engineering Laboratory, University of Idaho, Moscow, Idaho.

A description of the work of this project can be summarized to include the reconstruction of brick masonry panels that have been displaced due to moisture getting behind the brick panels and freezing. The work will also include repointing the deteriorated mortar joints, replacing deteriorated and missing the mortar cant strip intended to keep moisture from getting behind the brick panels with prefinished metal flashing, and installation of week homes at the bottom of the brick panels to drain any moisture that does get behind the panels.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:
