**Bid Procedures related to the COVID-19 pandemic:**

When possible the date to receive bids will be delayed until the situation returns to a level of normalcy.

When critical for project deadlines DPW will still be receiving bids. The bids will be opened publicly. DPW will endeavor to open the bids in a location that will allow for the recommended social distancing. Bidders are encouraged to follow the current CDC recommendations regarding health and safety. Bidders who may be feeling sick or are experiencing any of the warning symptoms are asked to either not attend or have someone attend in their place. DPW will provide a number or link that will allow the public to follow the bid opening remotely. The bid results will be posted on the DPW website shortly after being opened.

DPW appreciates your cooperation during this period.
