**RFQ – ADDENDUM NUMBER ONE**

The following addendum applies to the above referenced project and is included as part of the Request for Qualifications (RFQ). Acknowledge this addendum within your cover letter of your submittal. Please make certain to include a specific contact name and email address for future correspondence with the cover letter.

Clarifications:

- 1) BSU has a geothermal system on campus that would be desired to use if possible. The availability of the system for this site location is not known.
- 2) Existing campus chilled water loop availability is also unknown for this particular site.
- 3) Sustainability needs to be a thorough part of the decision-making process during design/construction. BSU does not have any specific systems or must-have items identified. Leeds silver certification is the minimum standard for the project.
- 4) The date of Oral Interviews is changed to Tuesday, May 24, 2022.
