Subject: Addendum 01

Due Date: The bid date has changed: Bids are now due by **04/12/2022 by 1:00pm MST (See bid delivery instructions below for bid submission requirement)**

**BID DELIVERY:**

**BIDS MUST BE SUBMITTED ONLINE ON BUILDING CONNECTED.**

Sealed proposals will be received by Andersen Construction Company on behalf of the Division of Public Works, State of Idaho at the Andersen Construction Boise Office online on Building Connected:

<https://app.buildingconnected.com/public/547fb31fc53dad04001543ac/projects/61f04e53174ee00adda9554>

by **04/12/2022, 1:00pm MST**. for DPW Project No. 21-190 BSU-Renovations/Upgrades Chem Labs.

Proposals will be opened and publicly read at the above hour and date above.

In order to be considered, **your bid must be submitted on the bid form in Building Connected.**

**Each bidder must include all items identified in the scope of work and project conditions. No exclusion will be accepted and will disqualify your bid.**

This is an Idaho Public Works project; therefore, **an Idaho Public Works Contractors license will be required to perform the work.** The Idaho Law requires that prime contractors, subcontractors, and specialty contractors alike must hold licenses as “Public Works Contractors” before submitting bids on public works projects.
