

NOTICE OF REQUEST FOR QUALIFICATIONS

PROFESSIONAL DESIGN SERVICES

Idaho State Building Authority is soliciting statements of qualifications from professional design firms to provide architectural, engineering and other services in connection with the development of the new 22,000 sq. ft. office building and related improvements at 9th and State Streets, Boise, Idaho for the Idaho Wheat Commission.

The Request for Qualifications can be obtained by request directed to:

Email: admin@idahobuildingauthority.org

Responses to the RFQ are due not later than February 23, 2024.
