CMGC RFQ - ADDENDUM NO. 1

The following addendum applies to the above referenced project and is included as part of the Request for Qualifications (RFQ). **Acknowledge this addendum within your cover letter of your submittal.** Please make certain to include a specific contact name and email address for future correspondence with the cover letter.

Clarifications:

Questions regarding missing Page 3 in the RFQ, and requirement for examples in 'C. Technical Approach to Project, Item 4' in the RFQ:

(clarifications in **bold red**, below):

1. Question: Can you tell us if there should be a page 3 in the pdf of the RFQ for ISP Combined Labs CMGC?

Yes, the RFQ will be re-uploaded to the website. It appears that page 3 dropped off when it was scanned.

2. Question: Section C, item 4, asks for us to provide examples of wayfinding and assistance with phasing maps for Agency. Are these examples exempt from the 1,600 words (no photos) requirement at the top of Section C?

Regarding Section C, item 4; The only limiter is on the 1,600 word max/no photos. I would consider examples for wayfinding/phasing maps to typically be diagrammatic in nature, so they would be exempt from the 'no photos' requirement.
