

## ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Division of Public Works, State of Idaho, at **502 N. 4th St., PO Box 83720, Boise, Idaho 83720-0072** until **3:00 p.m.** local time, on **Friday, May 02, 2025**, for **DPW Project 24201 South Campus Power Loop Connection, Boise State University, Boise, Idaho.**

A description of the Work of this project can be summarized to include extending the existing underground power duct bank system from the southwest corner of Belmont Street and Vermont Avenue with a new duct bank system along the south side of Belmont Street. The new duct bank system will end at the southwest corner of Belmont Street and Grant Avenue. The new duct bank system will interconnect with the existing manhole vault located at this location. A communications duct will be installed along with the power duct bank system from a new hand hole located on the southeast corner of Belmont Street and Vermont Avenue to a new hand hole located adjacent to the existing manhole where the power duct bank system terminates. There are manholes and hand holes located along the route to service each street block. No power or communications cables are included in this project scope.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:

State of Idaho Division of Public Works, 502 N. 4th St., Boise, ID 83702 (208) 332-1900

Associated General Contractors, 1649 W Shoreline Dr., Ste. 100, Boise, ID 83702 (208) 344-2531
