1. Responses to questions:

Question #1: Will there be an opportunity for respondents to this RFQ to physically observe the existing condition of the restrooms on site prior to submitting their Statement of Qualifications?

Answer #1: There will not be an informational walk through, however you may visit the PTC building to see the restrooms on the first floor. To do this enter the building from the State Street side and speak with the Security Guards to let them know why you are there. The restrooms have the same layout on all floors.

1. Question #2: Paragraph 'C – Team Member Qualifications' includes two separate numbered lists; the second numbered list identifies information that "*should be included for each individual*" and then lists seven (7) items. Please clarify item #7; this item seems ambiguous, or at least somewhat repetitive given the requirement of item #5 of the same numbered list.

Answer #2: Clarification regarding Paragraph 'C – Team Member Qualifications' For item #7 please share the amount of time they will be involved with the program.
