

ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Division of Public Works, State of Idaho, at **502 N. 4th St., P.O. Box 83720, Boise, Idaho 83720-0072** until **2:00 p.m.** local time, on **Friday, March 27, 2026**, for **DPW Project 25070 SICI Main Dorm, HVAC, Idaho Division of Corrections, Kuna, Idaho.**

A description of the work of this project can be summarized to include the contractor shall remove the existing evaporative cooling units and pressure relief exhaust fans at each wing. There are a total of 2 evaporative cooling units and 4 pressure relief exhaust fans that serve the wings. The contractor shall install new packaged rooftop units for each wing. These 2 new units will be set on new rooftop curbs. The supply ducting will be connected to the existing supply air ducting and extended throughout each wing. The return ducting will be ran across the roof and connected into the existing pressure relief openings. A new gas line will be ran from the existing gas meter up to the roof and connect to the 2 new rooftop units. Route new electrical service to each of the units from the main switchgear in the basement. The contractor shall remove the existing roof mounted evaporative cooling unit that serves the upper common area. The contractor shall install a new multi-split ductless system for the upper floor common area. Route new electrical service the units from the main switchgear in the basement.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:
