

## ADVERTISEMENT FOR BIDS

Sealed proposals will be received by the Division of Public Works, State of Idaho, at **502 N. 4th St., PO Box 83720, Boise, Idaho 83720-0072** until **2:00 p.m.** local time, on **Thursday, October 29, 2026** for **DPW Project 25207 SPEC Air Handler Replacement, Boise State University, Boise, Idaho.**

A description of the work of this project can be summarized to include The Removal and replacement of the existing multi-zone air handling unit and associated return fan, chilled water pump, and accessories. Additionally, the scope includes the installation of a new steam converter, heating water pump, piping, and accessories. The heating water piping will be extended to serve the new multi-zone unit. Integration of the Johnson Controls (JCI) building automation system will be provided by extending the existing system from the nearby Student Union building.

Proposals will be opened and publicly read at the above hour and date.

Plans, specifications, proposal forms and other information are on file for examination at the following locations:

State of Idaho Division of Public Works, 502 N. 4th St., Boise, ID 83702 (208) 332-1900
